THE CUYAMA BASIN WATER DISTRICT

RESOLUTION AUTHORIZING)

)

WHEREAS, as authorized by Water Code Section 36550 *et seq.* and pursuant to Proposition 218 (Article XIID, Section 4 of the California Constitution), this Board has adopted an assessment to cover certain of the District’s estimated costs in order to confer special benefits to the assessed property; and

WHEREAS, on March 22, 2017, this Board of Directors adopted an Engineer’s Report, entitled “Engineer’s Report for Cuyama Basin WD: Proposition 218 Procedures for Benefit Assessment” prepared for the District in compliance with Proposition 218 by Provost & Pritchard Consulting Group, which includes a detailed roll of the parcels within the District that would be subject to the proposed assessment for the following five years (2017 through 2021); and

WHEREAS, an Assessment Ballot Proceeding was carried out in accordance with the Board of Directors’ March 22, 2017 Resolution, including a hearing conducted May 22, 2017, at which the weighted ballots in favor of the proposed Assessment outweigh the weighted ballots in opposition; and

WHEREAS, Government Code section 53753 of the Proposition 218 Omnibus Implementation Act provides that any agency that complies with the notice, protest, and hearing requirements of that Act is not required to comply with any other statutory notice, protest, and hearing requirements, and accordingly, the proceedings conducted in 2017 have been conducted in accordance with the Omnibus Implementation Act, rather than the Water Code, with respect to notice, protest, and hearing requirements; and

WHEREAS, certain parcels are delinquent for 2021 assessments as of the date of this resolution.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF CUYAMA BASIN WATER DISTRICT does hereby resolve, declare and order as follows:

- 1) **Election to Proceed Under Part 7.5.** The District hereby elects to proceed under Division 13, Part 7.5 of the Water Code only for the collection and enforcement of delinquent 2021 assessments, as authorized by Water Code section 37203, subdivision (b).
- 2) **Procedures for Collection.** Pursuant to Water Code section 37212, the delinquent assessments shall be collected in the following manner.
 - A. **Delinquency List.** The Secretary shall prepare lists of the delinquent parcels in Santa Barbara County, San Luis Obispo County, and Ventura County for which 2021 assessments remain unpaid, certify that the lists are true and correct, and transmit a copy of each list to the county auditor of the appropriate county along with a certified copy of this resolution.

B. **Lien.** Pursuant to Water Code section 37212, subdivision (b), the unpaid charges shall be a special assessment and lien on the parcel upon receipt of the list and resolution by the county auditor.

C. **Collection.** The assessment shall be collected at the same time and in the same manner as ordinary municipal ad valorem taxes are collected, and shall be subject to the same penalties, and the same procedure and sale in case of delinquency as provided for those taxes.

D. **Remittance.** The county shall deduct from the charges an amount sufficient to compensate the county for the costs incurred in collecting the delinquent assessments following the same policies as applicable to similar collections with county ad valorem taxes. The remaining funds shall be remitted to the District.

2. **Other Matters.** The District's staff and officers are authorized and directed to do all thing necessary to collect the assessments consistent with applicable law, including the General Manager signing any forms or agreements which the respective Counties may require to facilitate collection of the 2021 assessment, consistent with the foregoing.

Hi Matt,

My name is Alex Kardos and I am one of the owners of a property @ 3700 highway 33 in Ventucopa (apn: 149-230-010)

The property is a 118.75-acre parcel zoned AG-II-100. We aren't cultivating anything this year. We don't even have a pump hooked up to our well. We are requesting that your board reduce our assessment to all non irrigated land (40 cents an acre). Please feel free to contact me at 310-438-0805 to discuss . I have cc'd my partner Craig , as well as Brian over at UPC who is helping with our cup application. Have a great weekend .

All the best ,

Alex Kardos

Dear Mr. Klinchuch,

This is Mory Ghasemi, we last spoke on April 6, 2022. I am writing to you today on behalf of my mother Aghdas Touriey. Her farmland is in Vente Copa Parcel Map # 149-180-016.

Per our conversation, my mother is requesting additional water to cover 100 acres of land for the planting and growing of Olive Trees. Please let us know what the total cost would be and where to pay it.

Sincerely,

Mory Ghasemi
